

# GROWTH MINDSET

## Why is it important for your organisation?

*'Growth mindset in an organisation can influence employees' satisfaction, perceptions of the organisational culture, levels of collaboration, innovation, and ethical behaviour'*

Harvard Business Review

**Please join our inspiring breakfast seminar for HR Leaders on 11th September 2019 at the British Olympic Association.**

Hosted by Olympian, World Champion and Executive Coach Anna Hemmings MBE & International Executive Search Partner Daryl Stickland.

**Location:** British Olympic Association,  
101 New Cavendish Street,  
London, W1W 6XH

During this insightful seminar at the home of British Olympians you will have the opportunity to:

- Explore what growth mindset is and how companies can profit from it
- Learn about growth mindset characteristics to look out for in new recruits
- Discover the actions leaders can take to shift their mindset and influence the mindset of others
- Understand the power of executive coaching
- Consider the impact of on-boarding coaching on executive recruitment
- Engage in a practical coaching activity
- Network with other leading HR professionals

**Arrival:** 7.45 am - 8.00am - Breakfast

**Seminar Finish:** 9.00am

**Seminar Start:** 8.00am

**Open Networking:** 9.00am - 9.30am
